

Training with Confidence

TRAINING WITH CONFIDENCE

Enable trainers to be more focused, more interactive and more creative when conducting their training sessions.

Please check the workshop calendar online for the most current information on workshop dates and locations.

ProComm Ltd.'s **Training with Confidence** Program, was designed with the philosophy that learning should be fun as well as effective. This program will enable trainers to be more focused, more interactive and more creative when conducting their training sessions.

Your Trainers will Learn How To:

- Establish a productive, adult learning climate
- Hone their delivery skills to become more effective in front of larger audiences
- Create and deliver clear and memorable openings and closings to their programs
- Give instructions effectively to their learners
- Involve their participants through the use of questions and interactive learning activities
- Manage course time, difficult participants and situations in an effective manner
- Diagnose their own strengths and weaknesses as trainers and create a plan for continued self-development
